**Why we have supported DAVAR  
for over 12 years ...**

“DAVAR has widened my horizons and given me new insights into my Jewish heritage.”

“You can always guarantee that a DAVAR film is a good film. They are so varied, often new releases and rarely screened elsewhere.”

“I have a Jewish partner and DAVAR has facilitated my understanding of Jewish culture.”

“I am always happy to receive your newsletter. It makes me feel connected.”

“I enjoy the informal discussions before and after DAVAR films and events.”

“It’s so good that you include non Jews. I have some Jewish ancestry and find it really important discovering my roots.”

DAVAR is welcoming and open to all:  
a forum for cultural events, exploring  
Jewish heritage, and understanding  
Jewish life, history and culture.

We are an independent cultural organisation,  
funded by modest entrance fees at our events,  
membership subscriptions and donations.
